For many people YOGA is not something you just do sometimes, it is an integrated part of your lifestyle. Some are practicing daily others weekly. For some the perfect enjoyment is a retreat once a year. Everything is good. Yoga is about having a good time with yourself. Relax. Balance. Accept. Fell yourself. And others. There is nothing wrong and right about this in our yoga universe.

We want to give you the freedom to enjoy your yoga practice in a design that gives you total freedom of movement and nothing to worry about. You will not be disturbed by tight and uncomfortable rubber bands that move around on your stomach while you are curled up in an exercise, or that your stomach is showing when in the downward facing dog pose.

Our yoga collection is a selection of few well designed and tested Items that you can mix and vary in a lot of combinations to achieve the set that suits you, your body and your desires. All sets can be customized to fit the seasons. We have added a few, but well-chosen fleece styles to make the perfect feel good yoga suit for you. The colors vary from bright sand to unika print, and pure black.

Our passion and commitment for a sustainable lifestyle, will secure you the best feeling when wearing our YOGA designs. All are made in Oeko-Tex® certified fabrics and all production take place in Europe. Read more about WHO, WHAT & HOW on our website.
